**DINE - IN MENU**

---

Did you know that Italians are one of the most long-lived population in the world? This is thanks to our beautiful weather but most of all thanks to our diet, known as the Mediterranean diet, characterized by its genuinity and SIMPLE ingredients.....  
This is our philosophy!

The main ingredients of our kitchen are Italian Extra Virgin Olive Oil, selected pasta, tomato and flour combined together to the highest standard in terms of taste and quality.

Not to be forgotten our millenary production of cured meats like prosciutto di Parma, cheeses like Parmigiano Reggiano, bakery and wines selected for you by our family involved in this industry since 1960.

Welcome to our genuine taste of Italy where homemade dishes are a must and where a passion for cooking is in our everyday lifestyle.

Join the Pizza Revolution and  
enjoy the culinary talents of the *Costanza* family.
